

Club Crawl: Murdoch's Bar & Grill

28th April 2009

Murdoch's Bar & Grill

Address- #60 1935 37 St. sw. Calgary

Web site: www.murdochsbars.com

Ambiance: Murdoch's is a semi-new Bar & Grill in Calgary, which opened in January, closed briefly for renovations and is now back on the market looking hotter than ever! A modern yet traditional pub puts on an uber cool vibe. Plenty of chairs and tables with a mini dance

floor and plenty of entertainment on the TVs. it's got a little something for everyone. **XXXX**

Vibe: The boobs were out -- not literally metaphorically speaking of course, with the Breast of Friends Cancer fundraiser supporting ... well, boobs. The ladies raised a whopping \$4,000 for Breast Cancer. A friendly bunch who were out to support the ladies! **XXXXX**

Cleanliness: Very clean we were quite impressed with how up kept it was. With the mass amounts of people who flooded through the doors, they did a great job making sure everyone was taken care of and comfortable -- no messy situations here. **XXXXX**

In the Loo: Small and cute, if washrooms could be looked at as cute that is. With only two stalls you could expect a line up depending on what time you go. Everyone knows that once the seal is broken it's all down hill from there and you can expect a revolving door of people. We made friends in line. And an added bonus, dispensing gum machine so you can always have the freshest breath. Yum. **XXXX**

Service: The service was beyond exceptional. They were fast on their feet running around and still super friendly... not too often we find one of those. Not to mention that they all looked super HOT in their pink little outfits. Nicely done ladies. **XXXXX**

Quench Factor: They serve classic comfort food with pub favorites and gourmet Pizzas, how can you go wrong! Plus they feature brunch on Saturdays and Sundays and an Open Mic jam Sunday nights starting at 9pm. So practice up on rock band and come on down! **XXXXX**

The In Crowd: Everyone is welcome at this hot spot -- a mix of people from young to old, male and female, to married and divorce, single and looking. The age range is too wide to generalize which we loved. It didn't feel like we were at our prom! **XXXXX**

Tunes: They had a live band when we headed down which was great, they really knew how to rock the place. We could barely hear ourselves think and then we thought to ourselves, 'why are we thinking?' Another beer please! **XXXXX**

Rating: Murdoch's is a perfect place to meet a friend, watch a game or sporting event or host your team or private party. They are open seven days a week from 10 a.m. - 2 a.m., which is great 'cause we all know those nights when there is no where to go... Well, my friends, you are always welcome here! **XXXXX**
